A Great Way to Show Your Pride in Your Student!

jostensyearbooks.com

As we begin the new school year, the yearbook staff is already well into making plans for the 2025 yearbook, and you should be, too! We are now ready to begin receiving submissions of student recognition ads for our 2024-25 year. If you are familiar with these ads, perhaps you have already considered what you might want for your special recognition. The 2025 book will be printed in FULL COLOR! We are also glad to offer a flexible payment plan for those who wish to divide the cost into installments throughout the year. Please see the pricing guide below. You may order in room G-5 or G-7 or you may create your own ad online. ****Notice: ad space is limited**, so act quickly to ensure that your student gets the recognition he or she deserves. When the space allotted for ads is gone, it's gone. If you have further questions after reading through this packet, please contact our yearbook ad Advisors: Kim Hatchett & Marylane Jacobs at 251-824-3213, ext. 13640 or via e-mail at bryantyearbook@mcpss.com
